Hi Roges!

Youre such a nice friend. I'm glad we were in the same math class togethes. Remember in English? man, Yandell was so boring it was funny. no, come to think of it, it wasn't funny because we just wasted our time, huh? Oh well. But it was a lot of fun in math. The tests weren't but you know how it goes. man, look how big I'm writing! It makes everyone else's look small!

Wow, what a yeer!! and just think it's almost over! What a summer. Can't wait till next year. Better yet this summer. man, it's going to be great! Well see ya next year. Have a fun summer.

Love, Karen Suzuki

PS. I just made it.

Hey Roger—
Cuck out all the great times we've had this year, making this year go by that much faster. Thanks for all those rides from school to movies, & for most of all, that bitchin' cruise in the 240Z. That was great! It's been great suffering through Biology & that---- Hawaiian class together. It's pretty amazing how the year has gone by so fast & I can't wait to get into the summer. Can't wait to see ya next year in CHEMISTRY (oh, barf!). Remember to go for it this summer & I'll be seeing ya when we get together with the cars.

Almost everyday the activities office was the place where students were busily preparing and planning school activities. Gigantic green and gold spirit signs were painted by the dozen, decisions for school business were discussed and carried out by student council. Assembly skits and props were created in a few hectic seconds, senior rings were ordered and distributed, and senior pictures were ooed and ahhed over by all the students.

The 75-76 student body president, Brad Farmer presided over student council meetings. Often these fourth period meetings became scenes of heated discussions. Especially when Junior class president Dave Weigand found his bostrous remarks caused him to be constantly ruled out of order and therefore silenced.

And why was Erin Evered always tardy to council meetings? Could it be because she was so busy with song practice?

Wasn't it funny that Ann Kanarek was always around for auditioning the rock bands? Could it be because she wanted the first look at the musicians?

Though Mike Cornett was always worried about organizing and planning assemblies we know that he had nothing to worry about, they always turned out.

GRRREAT !

Good job Mike.

But in the end, along with all those hectic frustrating moments there was a real feeling of accomplishment and reward. Thanks for a good year and a job well done council!

50's Day

Kool Cats and Crazy Kids attended school Friday, February 16th as Kennedy students revived the spirit of the 50's. Bobby Socks, rolled levis, greased-back hair and petticoats were the mode of clothes. At 8:00 p.m. these

filled the stands to watch the Fighting Irish Basketball Team challenge Katlla. Saturday night the "Rockets" provided the sounds to keep the Irish rockin' 'n rollin' all night long.

October 24, 1975 brought home many familiar faces. Alumni returned to visit faculty, students and, of course, the Homecoming pep assembly. This year's council planned a spectacular assembly starring "The Funky Bunch." Both underclass Homecoming Princesses, tenth grade, Debbie Lombrano and eleventh grade, Terri Allen, were presented to the student body.

Anahiem stadium was the scene of the annual Homecoming game where 3,000 people attended, as Kennedy confronted Foothill. The Irish were lookin' good at halftime with the score 14-7, however the second half proved to be Kennedy's downfall as Foothill drove to a 17-14 victory.

FIREWORKS,

the crowning of Dangene McKay, and the announcing of Senior Princesses, Judy Macedo and Judy Suh, added to the halftime excitement. Stars and Stripes Forever was the theme of the Homecoming dance the following Saturday night.

Fall semester, Fridays, second period and the Kennedy gym was bubbling with Irish spirit. Amidst the excitement, Kennedy folks were stoked by the Funky Bunch and their great no lights show. The laughter roared as six stunning song persons danced their hearts out. But wait, aren't those studly dudes usually seen playing football?

Not only once or twice, but three times Mike Cornett ousted underclassmen from the senior section. What was their fate? Each was given the opportunity to smooch the Irish Leprechaun. Way to go underclass!

Skits . . . talk about skits and you're talking about G.A.A.'s liberated women

Cheering was loud and strong at assemblies. Why? The loudest class got to see their ASB President smash a great big beautiful cream pie in the face of their great big beautiful Vice Principal.

Spirit Week

Among the Kiss, Alice Cooper and Elton John fans, Spirit Week started off a rockin' success. Mr. Fritz, Kennedy's gymnastics

SUPERSTAR,

tried the fire ladder but ended up 20¢ in the hole. While the campus firechiefs were climbing the fire ladder, others were throwin' for distance in the frisbee contest.

Thursday, everyone attired in their color clashin' clothes, gathered to witness the Grand Am wagon race championships. Though the famous '76 spirit wagon came in second, it was a fun knee scrapin', head bumpin' experience. Thurdsay's activities wound-up with the pie throwing and catching contest. Great catch Ann, but how about hands next time.

On Friday, as Levi buffs were running around disguised as hillbillies, the famous faculty football heroes prepared their annual teachers' assembly. Mr. Fritz stunned the crowd with his gymnastics, and Coach Martelli ran the faculty spoof of the Cypress football game. Lunch activities started with a scrumptious mango-eating contest, or was it a mango throwing contest? The last activity was the famous one and only bouncin', trippin', and fallin' gunny sack race.

The following Saturday night the Irish saw their football team bomb Cypress, 34-8. What a game! Then the post game dance brought the dynamic week to a romantic close.

The Crucible

"The Crucible," John F. Kennedy's first play of the year, was a giant success for Advanced Drama.

The play took place in the year 1692 and centered around the Salem witch trials. In fact, 11 people, 2 dogs, and 1 goat were hung for witchcraft that year.

As with past performances, "The Crucible"

SPOTLIGHTED

the fine instruction of director, David Maiville, who aptly stated, "It was the most powerful drama presented here at Kennedy."

The evening was filled with excitement for Kennedy students, as they gathered in anticipation of the annual Christmas formal, "A Touch of Winter" held in the Westminister Mall.

After intimate candlelight dinners, students attired in tuxedos and full length formals arrived at the mall, and danced to the Chicago music played by "Sage."

DARK CORNERS

were quickly occupied by loving couples, and alert year book photographers caught their loving embraces.

The highlight of the evening was the announcement of the 1975-76 most preferred men. These lucky young men were chosen by their class to be the best all around guys on campus.

After all the dancing was over, the punch and cake consumed, the band closed with the ever so popular "Stairway to Heaven!"

Alumni Basketball

Hello folks, 'Howie Cosall' migrating back to review the game played December 2nd at Kennedy Square Gardens. I was there the night the Irish collided in a colossal carnival of excitement as they faced the brute strength of the 66 and 67 Kennedy Alumni Team. The gym was full of Irish basketball fans by 8:05 p.m. when Steve Scherer and Mel Franks jumped for the opening tip off.

The ultimate source of Irish offensive moves came from the powerhouse of Diaz, Way and Johnson, with Diaz moving faster on the court than Perry Mason; you be the judge. With a total of 82 points, the Irish scored more times than

FONZIE

scores at Arnolds. But the Alumni were lookin' good and playin' better with the ten year veteran Mel Franks, takin' to makin' baskets like Larsen throwing to Parma. However, the Irish finally managed to out score the Alumni by three points, 82 to 79.

Comedy was king on the night of February 12th as the Kennedy Drama Department presented the musical melodrama "No, No A Million Times No." Under the direction of honor thespian, Anthony Colannino, the show was a farce, in the Mel Brooks fashion. As in all melodramas the play included the villian, the hero and the lovely heroine, Nellie

QUACKENBUSH

In addition to presenting the play to the Student Body, the Drama Department presented it to several Junior and Senior High Schools in the area.

Bucking donkeys sent students flyin' through the air along with a few faculty members. A sudden death play-off, and the students finally won over the faculty team. The game could easily have gone to either team, but the fantastic efforts of the students, plus the tie breaking shot by Rick Parma broke the faculties' 3 year winning streak. The final score was faculty 30 to students 32. Well what do you know they finally beat you!

This years Seniors displayed much talent in their assembly. Talent was shown in dancing, gymnastics, a pantomine and music varying from Rock—N — Roll to 'just easy listening.' The Assembly brought out the best of many Seniors. The climax of the hour and a half show were the announcements of the Senior Class

As important to Kennedy as Leprechaun's are to St. Patricks day; Irish week proved to be a fantastic

ACTION-PACKED

week.

A tug-of-war in the mud, a van stuffed with twenty Irish bodies, a toilet paper push, ping-pong tournaments, basketball tournaments, and speedy skateboard races were only a part of the excitement.

For all of the undernourished Irish students, there were many eating contests. The raisin search meant being blindfolded and trying to find a raisin in a pile of whipped cream. In another blindfolded search, the pudding stuff, the contestants tried to find their partners' mouth and stuff it with chocolate pudding. Of course the messiest eating event was the banana split eating contest where contestants had to eat ice cream and banana's — without hands.

The finale of the 5-day celebration was a carnival enjoyed by many students, faculty, and parents. Student clubs set up and manned game booths, food stalls, and enjoyed the music of a live band.

The enthusiasm that the Song and Cheer displayed this year played a great part in the success of our teams. Their weekly treats and decorations of the team room were greatly appreciated by the players.

It just went to show how much time, effort and caring this year's Song and Cheer put into the successful year. This along with the

moments of the games made a great year for Kennedy.

The

game of the season was Kennedy vs. Foothill. In this game Kennedy jumped out to an early 14-0 lead. The Knights scored with 35 seconds remaining in the 1st half. That was the beginning of the end for the Irish. Foothill went on to win 17-14.

The 1975 season was one of the finest in our school history. This team achieved a record of ten wins and two losses, which was second only to the 1971 C.I.F. Championship team.

Although we had a nucleus of 21 returning lettermen, the team was very inexperienced, particularly in the area of defense. Through hard work and dedication, our defensive players improved tremendously as the season progressed. With the majority of our experienced personnel on offense, we were able to establish a high scoring unit throughout the season.

Following a good scrimmage with Villa Park after our first week of double sessions, we opened the season against a very strong El Modena team. It was an exciting, high-scoring game that saw the Irish come out on top 35-33. This same El Modena team went on to win their league and went to the second round of the 3A C.I.F. Play-offs.

Our second game of the year was against the defending 2A C.I.F. Champions, Neff High School. They again had another fine team as they displayed in our first game in history to be held at Anaheim Stadium. Again it was a high-scoring affair with Kennedy coming out with a victory by the score of 35-28.

To start league play, we opened with the perennial powerhouse — Anaheim Colonists. This game turned into a hard-hitting, low-scoring game with the Fighting Irish defeating them for the second time in as many seasons 13-7.

After our big win over Anaheim, we prepared for our second league game with Orange High School. The Irish dominated the game, which gave everyone on the team an opportunity to contribute to this 27-14 victory.

The Huntington Beach Oilers have always played tough Football against the Irish, and this year was no exception. After being behind, the Irish thought back to defeat this fine team 21-13.

Our next game was again at Anahiem Stadium against the Knights from Foothill High School. It was a dissappointing Homecoming for our Alumni as the Knights defeated us 17-14 in a very hard-fought game.

Following our first loss of the season, the Fighting Irish bounced back and easily defeated Saddleback High School from Santa Ana, 34-8.

Although billed as an air-duel with the Katella Knights, the Irish used a fine balance of running and passing and an excellent pass defense to defeat our district rival 31-15.

The final regular season game provided our Dad's Night fans with a record-breaking performance of 552 yards total offense. Together with a strong performance by our defensive unit, we defeated Cypress 34-8 and finished the regular season with an 8-1 record and second place in the Empire League.

Entering the play-offs, we were matched up with one of the Tri-Champions of the strong Citurs Belt League, Chaffey High School. The Tigers were known for their strong wishbone offense and a stunting defense. Without question, it was one of our most outstanding offensive performances of the season. The final score: Kennedy - 34, Chaffey — 21.

Following our first round play-off win at Chaffey, the Irish were given the home game to meet Camarillo High School from the northern part of our section. Undefeated and ranked fourth in the C.I.F. ratings, the Scorpions had established a reputation of an outstanding defensive team and an offense that concentrated on the ground game. No one had scored more than a touchdown on their defense in their ten-game schedule. The Irish defeated them in an overtime by the score of 20-14 to notch their tenth victory of the season and advance to the third round of the play-offs.

Our final game of the season was against the defending 4A Champions — South Hills High school from Covina. Taking advantage of seven costly turnovers, the Huskies defeated the Irish 35-7.

My congratulations to an outstanding group of young men that provided all of our faithful fans with a very exciting and successful season.

Fitness seemed to be the watchword of the Varsity and Junior Varsity Cross Country teams. The members spent the summer getting themselves in good physical shape by running laps around town. Each day they ran about 10 miles, accumulating an

AVERAGE

of 1,000 miles by the end of their tedious months of training.

Sophomore Water Polo

Side aches, cramps, and pure exhaustion couldn't stop the spirit of the '75-76 Sophomre Water Polo team. They finished 4th in district standings, with a 4 win, 3 loss record.

In their winning games, the Sophomores iced Orange, Katella and Cypress, planning never to allow them to defrost. Armed with a year of experience the Sophomores should be prepared for a fine season next year.

Amid the splashing, dunking, grabing, tearing, and near drowning, Kennedy's '75-76 Varsity Water Polo Team finished 5th in district competition. With Coach Zehntner officiating, and Coach Browning wørking in the water, the polo team scrimmaged and practiced with dedication.

When their season began, the excitment of watching and playing water polo mounted. In the first game of the season, the Dana Hill's Dolphins slipped by the Irish in a one point victory. Though it's been kept quiet, the Anaheim game was a real speedo ripping experience. (Right Mark?)

The Irish, with a few answered prayers, pulled out a couple wins during the season as they

Varsity Basketball

The Varsity Basketball team played at a

FAST

and furious pace that made for an exciting season in '76. Kennedy fans weren't disappointed by the type of basketball they saw on the court this year. The team definitely had its ups throughout the year but also had some downs and failed to reach the C.I.F. playoffs. But with extremely talented underclassmen, Kennedy's basketball future looks promising.

Kennedy went into every game being the smaller of the two teams, so they had to rely on their

QUICKNESS

in order for them to score. With the expertice shooting of B. Diaz, B. Way, B. Truckey, M. Larsen, and other Irishmen, this was often accomplished. But when they were cold from the outside, Kennedy's basketball machine stalled. Fortunately, this was not often, and so Kennedy was able to have a successful season.

J.V. / Soph Basketball

Our J.V. team this year had some good moments and had some bad. They were without the shooting range necessary, so they relied on a quick and

FAST BREAK

game. If they were to win, they had to outrun their opponents, and this wasn't always accomplished. It was a good learning experience for those athletes who will go on to play Varsity Basketball next year.

The 'Sophs' were

through the problem of playing without it's stars who had been moved up to the J.V. or Varsity teams, but were still able to make a strong showing in the Empire League race. Constant shuffling of the team made it difficult for them to develop team unity going into the games which was a major drawback.

At 6:30, out of a thick fog came a very cold J.F.K. swim team. The team swam in good weather as well as bad, while their coach sat comfortably in his heated office. When asked how they could swim in the early morning fog and cold, team members answered, "Well the water is real warm, most of the time." Many of the team members had trouble judging their flip turns and ended up turning some 4 yards from the wall, but after all their practice the members very rarely missed their flip turns in a meet. If you were wondering why the team often yelled

"HAMBURGER"

when one of their teammates was winning, it was because if they came in first place their generous coach would treat them to a hamburger at the Golden Arches, or was it Carl's Junior? The team was a bit small this year, but they had alot of spirit, you would too if you had to get up at 5:30 in the morning and dive in old J.F.K.'s swimming pool.

JAZZY

The Varsity Soccer team had one of those season's where fancy foot-work and kicking couldn't help their 1 win, 13 losses, and 1 tie record much. Even though the team didn't do as well as they had expected, the players helped themselves out by picking up some new techniques that Coach Cedarholm will apply and refine for next year's Futbol season.

J.V. Soccer

Although Pele would not be excited about the J.V. Soccer teams' season, 2 wins, 10 losses, and 2 ties, they did excell in finesse and style. After working hard in practices and games, the team often enjoyed a little messy madness by frolicking through

MUD

puddles. The purpose being for them to increase their ability to play in foul weather. Next year, the team hopes to have enough experience to upgrade their previous record.

Varsity Track

A gunshot, a cloud of dust, a burst of speed, and pure determination to win, brought the J.F.K. '76 track team all the way to a winning season. Through the dynamic coaching of Tom Farr, Bill Hayes, Larry Murray and Bob Thomas, the track team was molded into the best track team to come through Kennedy in the past five years. Congratulations.

The season for the Mighty Varsity Grapplers ended in a bitter and agonizing defeat. Even with the spirit and experience of the 3 year returning lettermen Brad Farmer, Art Maletz, and Kerry Matsumoto, the Irish Mat-Men were

G.A.A. Volleyball

Though the G.A.A. Volleyball Team has yet to win a game, they certainly enjoyed the sport. The team dilligently practiced

SPIKES AND DIGS

and were rewarded by a near win over the second place team in the league. Even though the season was unsuccessful, the girls learned that winning isn't everything, it's how you play the game that counts. Keep the spirit flyn' high!

G.A.A. Tennis

The 75-76 G.A.A. Tennis team, clad in their white tennis dresses, met 6th period fall semester to master the skills of the tennis racquet. Assisted by the talents of Ms. Shoemaker, the team finished a 6 win and 2 loss season. The team enjoyed daily twilight practices, the afternoon water fights, and the rowdy bus trips to the away games. But the team agrees the highlight of the season was team captain, Mel Stout appearing for the games in a white tennis dress with green panties,

Nevertheless, she was the first girl to go to tennis CIF championships in JFK's history, way to go Mel!

G.A.A. Field Hockey

The 75-76 Field Hockey Teams goal was the C.I.F. Championship, however they lost in the first C.I.F. competition. The many practices led to a successful season. The bus trips were a riot. Everyone had bruised legs, and Lisa met eye to eye with a hockey ball and came out with a

BLACK EYE.

With a 7-2 record for the Varsity Team, and a 6-2 record for the J.V.'s, the season didn't end a total loss.

It all started at

last June when seven sneaky G.A.A. officers kidnapped seven sleepy girls from their cozy bedrooms. They were stuffed into cars and taken to Hof's Hut for a delightful early morning breakfast. These seven sleepy heads were the 75-76 G.A.A. officers who planned and organized the G.A.A. events.

Yearbook

Balloon laden oak trees, pizza parties, trips to McDonalds, and Ms. Johnson learning 'the hustle' were just a few of the highlights of the '76 Eternal Flame Staff. Even with all those crazy things going on, the staff still spent more time working on layouts and pictures than they did goofin' around. Each member of the staff realized his responsibilities, and with Advisor Ms. Johnson and Editor Beth Cook helping along the way, deadlines were easily met. After deadlines came the parties . . . Apple Pies to Pizza, and then came the Monty Python jokes. Anybody that overheard Carol and Judy insulting Mark L., and vice versa, could never have believed how well the staff really worked together. But through it all, a book slowly emerged, and everybody that worked on the staff can look back and say, "Why did we play 'Love Rollercoaster' every day in December?"

12

Shamrock

Researching, checking out the story, writing, rewriting, proof reading, and typing are a few things members of the Shamrock Staff did in order to produce a fine monthly newspaper. Mr. A. Leonard and editor Karen Pratt proof read all the incoming stories picking only the finest for publication. The staff agrees that the worst of all possible jobs was folding all 2200 newspapers, then sorting them into class stacks for distribution. Though the staff was mostly beginning student journalists in September, they are now very good reporters and writers. Today, they work on the John F. Kennedy Shamrock, and tomorrow who knows, maybe the Los Angeles Times.

Modern Dance

Modern Dance has kept "on their toes" with lots of hard work and creativity to make their performances expressive and entertaining. They performed at the Christmas Assembly, Holiday in Music, and the Spring Show. The Spring Show featured "Dance in 200 Years," which was Modern Dance's interpretation of the Bicentennial celebration, highlighted with original costumes and dances from America's past.

The result of a year's work? Memories of a rainbow of colored leotards and much-used dancing slippers.

Work Experience

Working 'on the job' is the objective of Mr. Rickertson's Work Experience Program. Developing themselves for businesses and trades under the supervision of a skilled instructor working with schools in the district gives students the opportunity to work and learn with other employees.

Literary Club

The Literary Club is responsible for producing Kennedy's literary magazine, Scela. This is a conglomeration of material created by Kennedy students, such as poems, short stories, prose, and drawings. One of the biggest projects they had this year was getting out of debt. And they did it!!! TA DA!!!

Diati

Diati, a new club this year, was formed with the idea of providing more expansion and enrichment that could be provided through the M.G.M. program for all the M.G.M.'s and Advanced Placement students.

The main activity Diati planned was a four day, three night trip to Yosemite National Park. To raise money for this trip and several other, Diati sponsored bake sales, candy sales, a car wash, and a rummage sale. Other trips included visiting the Los Angeles Times, Renaissance Fair, and Golden West College.

Symphonic Band

Superior Seniors and very talented Underclassmen constituted the Symphonic Band. They participated in a Festival in Garden Grove last April and also played at the Scholarship Concert. A few of the students from Concert and Symphonic Band were rated at the Solo and Ensemble Festival at Cypress College. Rated from I to IV, many came back with very good ratings.

Jazz Band

"One, two, ready, Swing" was a phrase heard often by the Jazz Band students. Made up of 17 members, the Jazz Band was small but very hard working. They were kept busy all year round. They participated in Shows, Concerts and Festivals. One Festival at the Anahiem Convention Center and one at Neff High School. They played in the amphitheater for 'Music In Our School Day.' The Drill Team Spring Show and the Drama and Music Department Spring Musical were also on their list of shows.

Marching Band Color Guard

It was 7:15 in the morning, and students were slowly straggling in when suddenly there was a shrill whistle and someone yelled, "Get goin' and 'troupe the line'." And suddenly you saw countless students filing out the door carrying instruments, rifles, flags and banners. These early morning risers were the members of the Kennedy Fighting Irish Marching Band and Color Guard. Since Summer Practice they had been practicing music and marching for the street and the field. With Mrs. J. Tucker as Director, Tim Tryon as Drum Major, Kay Cooperider as Guard Captain and Holly Johnson as Co-Captain, the Band and Guard had top leadership. They were a spirited group and they helped promote spirit at assemblies and football games. They also marched in parades and band reviews as well as half-time shows. They also marched in Disneyland's 'America on Parade.'

Marching Band / Color Guard

The Parade that will always be remembered was the Chaffey Parade. The bus drivers slept late, not picking up half the Band, while the other half stood at Chaffey wondering if they were going to march in the parade without their friends. Through all this, they still won. Screams and hands flew up when the students heard Kennedy receive a 1st place for their Drummers, a 2nd for the Band, and a 3rd for the Guard.

Spring Show

High kicks, splits, and cartwheels were highlights of the "Bicentennial Garden of Song" presented by the 76 Drill Team and Performing Dance. Routines were skillfully being performed while ribbons were being tied and dancers were rushing around putting on and taking off costumes.

Many tears were shed as the drill team seniors gave their last salutes. Flowers were given to the new 1976-77 drill team leaders. Head, S. Vallejo, first assistant C. Foster, second assistant J. Griffith, Senior Recall P. Marsden, Junior Recall J. Schaumberger.

The 1975-76 Drill Team, competed in many parades, won third place at the Silverado's Day Parade, won the Presidential Award at El Primero, the biggest parade this year, and second place at the Chaffey parade.

Besides parades, they also performed football half-time shows and of course, the biggest drill team event of the year, the Spring Show.

Behind their fine performances were incidents not quite as composed as their shows. Remember when Carla Winslow and Ade Smalts came in tardy everyday? Or C. McDonald, and Joselyn Casey attending practice with curlers in their hair? Remember on our way to El Primero Parade, Jinx Schammberger was too lazy to get up, so we had to pick her up on Walker Street or else she would have missed the parade? Remember the night of the Band and Drill Team Spectacular, Judy Lolli had her Marching blouse over her briefs, so we had to circle around her so she could fix it?? Yu la, la!!

C.S.F., known as the California Scholarship Federation, is a statewide organization made up of students with high grades in academic subjects. Seniors who have been members for 4 semesters are honored as Gold Seal Bearers. They are awarded a gold seal representing this achievment on their High School diploma and transcripts. This year C.S.F. has made money on paper and canned food drives in support of the clubs activities. They also visited the UCLA campus and attended a banquet to honor the clubs Gold Seal Bearers.

Women's Glee

Women's Glee, the root of Kennedy's Chorus, met first or sixth period. These young women performed a large variety of music — anything from pop to close harmony songs. The Sweet 16's, an outgrowth of Women's Glee, was a new ensemble which specialized in music for women's voices. Their rehearsals were held after school. Performances by Women's Glee and The Sweet 16's included the Disneyland Hotel and the Anaheim Convention Center.

Men's Glee

"Men's Glee was a wild bunch this year!" calmly stated Mr. James Schamp, vocal music director. Their year was full of hard work. They performed for thousands at 'Holiday In Music' and at Disneyland. These young men are the future tenor and bass sections for A Cappella and Chorale.

Chorale

The combined efforts of twenty vocal musicians, under the direction of Mr. James Schamp, formed the Chorale. Each member had passed rigorous auditions, striving for blend, balance and tonality. Among their many honors, the Chorale was named an "Outstanding Chorale Group" by the Orange County Department of Education. They earned enough money to tour San Diego and San Francisco by train, Mr. Schamps favorite mode of transportation. The hectic vocal season began in September and continued thru June with several performances for clubs, "Holiday In Music," Orange County Honor Choir and festivals.

Senior House

Seniors started out the year by getting some money into their treasury by selling bicentennial pins. The Senior House decided such things as the type of Senior Button, the colors of caps and gowns, and the nominating of class favorites and Mr. and Miss Irish. The Senior House Members were the students who helped decide important matters during their senior year and want to make it more enjoyable by getting involved and knowing what is going on.

Well at first they didn't think they were clowns,

FLIRTS,

or study bugs, but what they thought didn't matter after the entire senior classes' vote were tallied — (They were the ones.) When their names were announced of the senior favorites, each was asked to present themselves before the entire senior class. Slightly embarrassed, they knew that three-hundred and ninety some odd seniors could not be wrong. But why did they have to get up in front of all those people at the senior assembly, holding their signs?

A PRINCIPAL'S MESSAGE

The 200th birthday of our great nation — "The Bicentennial Year" is likewise the "Year to the Seniors" — who certainly met the challenge of their motto, "May the Spirit and the Pride That Inspired Our Forefathers Guide Us Forever, 1776-1976." They displayed the energy, enthusiasm, effort and leadership by encouraging a greater involvement of our students for the concern of the school and community.

During this year as our nation is celebrating "The Bicentennial Year" John F. Kennedy High School students were involved in many community activities to promote our proud heritage. Through these experiences we hope that you have developed a personal image of strength, honesty, and fairness — attributes that all leaders need in working effectively with people in the continuing growth and development of our nation.

To the bicentennial class of 1976 we bid you farewell with our traditional blessing:

"May the roads rise with you,
And the wind always be at your back;
And may the Lord hold you
in the hollow of His hand."

A.S.B. President Brad Farmer

Our high school years are but a small fraction of time in each one of our lives. Never the less, it is one of the most rewarding experiences that any one person can share. It is here that we learn to understand ourselves and others around us. It is a time of maturing our intellectual, cultural and emotional curiosity.

The special personalities of each student at Kennedy combine to form the definite spirit of pride in our school. The difference between Kennedy and other high schools is the students. What makes the difference in the students is their willingness to get involved. I can't stress enough to the Underclassmen that the advantages of participation far exceed the efforts that are expended.

"May the spirit and pride that inspired our forefathers guide each one of you forever"

Sincerely,

Brad Farmer
A.S.B. President

Yearbook Editor Beth Cook

It all started last September, when 21 mishevious minds came together in an effort to find something Bicentennial going on around campus and ended up with 200 red, white and blue helium balloons stuck in an oak tree. Yes, the staff was said to be crazy, but I know better. But you should of been there when Ms. Johnson walked into her Surprise Pizza Party. "It's fantastic!" was all she could say. And with balloons, apple pies, pizza, McDonalds and 'Honey' around, it's a wonder we ever met our deadlines. Somehow we managed, but only because of a hard working staff and a 'fantastic' Advisor, Ms. Candace Johnson.

When so many people come together to work on one project, you're bound to have some bad days (especially around deadlines). But there were more good days than bad and I would like to thank the staff that helped make it that way. This book has been made possible through the efforts of Lisa, who somehow had her G.A.A. proofs sent to the Kennedy up in Barstow. Greg, who spend most of his time cutting out pictures for the very original Kennedy pages. Tom, Kim and Julie H. who took on the job of the class sections. Dave who helped in the Opening Section. Karyn and Lori for selling all those ads. Carol who numbered the Homecoming pages wrong. Mark P. for coming back and helping 2nd semester. Mark M. and his Monty Python jokes. Judy trying to insult Mark L. who was always eating his lunch in class. Celeste and her candid teachers. Mark E. Steve and Jeff for staying in the darkroom as long as they did.

I would also like to thank Ms. Candace Johnson for keeping us all together and on the right track, Bill Milne for coming whenever we needed him and Larry from Albert and James for doing our rush jobs. Also thanks to Mr. Schnek for helping us when we needed pictures taken and to Dean for listening to all my deadline problems.

I would like to leave my successor with a bit of advice I heard once on a Cat Stevens song. It comes in handy around deadline times.

"I listen to the wind come howl, telling me I have to hurry, I listen to the Robins song, saying not to worry."

I really am at a loss for words, you're a fantastic guy. You've probably already heard it but I'm really glad I got to meet you, where else would I have gotten to ride in a "Z". We had alot of good times in biology and it was really sad we had to be seperated by the semester. I really want to wish you a very happy and exciting summer.

Love ya,

Roger, we've gone through school together and both
seem to have had our ups & downs. I've had a hard
time getting to keep my grades up & you've had
a hard time keeping your attitude with
some teachers. Hopefully you'll always
be able to look back on your future
and say that you have a good start
on it. Keep your head up & work
hard & maybe we'll run into each
other again.
